Course title		Code	semester	T+U	credit	ECTS
Professional Foreign Language 2			4	3+0	3	2

Prerequisite Courses	None
Language of the Course	English
Course Level	Undergraduate
Type of Course	Compulsory
Course Coordinator	
Instructors	
Course Assistants	
The aim of lesson	The education that our students have received and the professional knowledge they have are processed in French or Germany and the students' foreign language skills used in computer science. understand and interpret terms and concepts more easily is intended.
Course Content	Study of basic engineering terms and computer system components in Germany or French and discussions on computer system technologies.
Course Learning Outcomes	**At the end of this course, the student;** **1.** Learning technical terms and words in a book, article or any publication read in the professional field (software or hardware). Gaining the ability to make the correct English translation of a source in any technical field related to computer engineering (Computer networks, artificial intelligence, programming) in a way that will meet expectations and be understood.

Weeks	Topics
one	Terms Related to Operating System
2	Terms Related to Operating System
3	Terms Related to Operating System
4	Terms Related to Operating System
5	Detailing the Components of the Computer System
6	Detailing the Components of the Computer System
7	Detailing the Components of the Computer System
8	Detailing the Components of the Computer System
9	Discussions on Computer System Technology
10	Discussions on Computer System Technology
11th	Discussions on Computer System Technology
12	Terms Related to Algorithms and Data Structures
13	Terms Related to Algorithms and Data Structures
14	Terms Related to Algorithms and Data Structures
15	Terms Related to Algorithms and Data Structures

General Competencies
Understands the main idea of complex texts based on IT industry topics. Conducts technical discussions on topics in his area of expertise.

resources
Brookshear , G. & Wesley , A., *Computer Science : An Overview* (10th Edition).   Pickett , N. & Laster , A. & Katherine E. & Staples , L.. *Technical English: Writing , Reading and speaking* _

Evaluation System
The dates, days and hours of the Midterm Exam, Quiz, Final Exam and Evaluations will be announced later, according to the decision of the Faculty Administrative Board.
